**PROXY STATEMENT
2021 Annual Meeting OF STOCKHOLDERS**

The enclosed proxy is solicited by the board of directors of HF Foods Group Inc. (the “Company,” “we” or “us”) for use at the 2021 Annual Meeting of Stockholders (the “Annual Meeting”) to be held on Thursday, June 17, 2021, at 1:00 p.m., Eastern Time, and at any continuation, adjournment or postponement thereof.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Who Can Attend and Vote

Only holders of our common stock of record at the close of business on April 28, 2021, the record date, are entitled to notice of and to vote at the Annual Meeting, and at any continuation(s), postponement(s) or adjournment(s) thereof. As of the record date, 51,913,411 shares of our common stock, par value \$.0001 per share (“common stock”), were issued and outstanding. Holders of our common stock are entitled to one vote per share for each proposal presented at the Annual Meeting. The common stock does not have cumulative voting rights.

To participate in the virtual annual meeting, go to <https://web.lumiagm.com/210286046>.

If you are a stockholder of record as of April 28, 2021, the record date for the annual meeting, you should click on “I have a login,” enter the control number found on your proxy card or Notice of Internet Availability of Proxy Materials you previously received, and enter the password “hff2021!” (the password is case sensitive).

If your shares are held in “street name” through a broker, bank or other nominee, in order to participate in the virtual annual meeting you must first obtain a legal proxy from your broker, bank or other nominee reflecting the number of shares of the Company’s common stock you held as of the record date, your name and email address. You then must submit a request for registration to American Stock Transfer & Trust Company, LLC: (1) by email to proxy@astfinancial.com; (2) by facsimile to 718-765-8730 or (3) by mail to American Stock Transfer & Trust Company, LLC, Attn: Proxy Tabulation Department, 6201 15th Avenue, Brooklyn, NY 11219. Requests for registration must be labeled as “Legal Proxy” and be received by American Stock Transfer & Trust Company, LLC no later than 5:00 p.m. Eastern time on June 11, 2021.

Voting Your Shares

If you are a registered holder, meaning that you hold our stock directly (not through a bank, broker or other nominee), you may vote during the virtual annual meeting by (a) visiting www.voteproxy.com and following the on screen instructions (have your proxy card or Notice of Internet Availability of Proxy Materials available when you access the webpage), or (b) calling toll-free 1-800-PROXIES (1-800-776-9437) in the U.S. or 1-718-921-8500 from foreign countries from any touch-tone phone and follow the instructions (have your proxy card or Notice of Internet Availability of Proxy Materials available when you call).

If your shares are held in “street name” through a bank, broker or other nominee, in order to vote during the virtual annual meeting you must first obtain a “legal proxy” from your bank, broker or other nominee and register with American Stock Transfer & Trust Company, LLC as described above in order for you to participate in the virtual annual meeting. You then may vote by following the instructions provided to you by American Stock Transfer & Trust Company

Applicable stock exchange rules restrict when brokers who are record holders of shares may exercise discretionary authority to vote those shares in the absence of instructions from beneficial owners. Brokers are not permitted to vote on non-discretionary items such as director elections, executive compensation, and other significant matters absent instructions from the beneficial owner. As a result, if you are a street name stockholder, and you do not give voting instructions, the holder of record will not be permitted to vote your shares with respect to Proposal No. 1—Election of Directors or Proposal No. 3—Advisory Vote on Executive Compensation, and your shares will be considered “broker non-votes” with respect to these proposals. Although any broker non-votes would be counted as present at the Annual Meeting for purposes of determining a quorum, they will be treated as not entitled to vote with respect to each of Proposal Nos. 1 and 3. If you are a street name stockholder, and you do not give voting instructions, the record holder will be entitled to vote your shares with respect to Proposal No. 2—Ratification of the Appointment of Friedman LLP as our Independent Registered Public Accounting Firm for the Year Ending December 31, 2021 in its discretion.

In the event that sufficient votes in favor of the proposals are not received by the date of the Annual Meeting, the Chairman of the Annual Meeting may adjourn the Annual Meeting to permit further solicitations of proxies.

The internet voting procedures are designed to authenticate stockholders' identities, to allow stockholders to give their voting instructions and to confirm that stockholders' instructions have been recorded properly. Stockholders voting via the internet should understand that there may be costs associated with electronic access. These charges include usage charges from internet access providers. The stockholder will bear the cost of these charges.

Procedural Matters

If you are a registered stockholder, you may vote your shares or submit a proxy to have your shares voted by one of the following methods:

- *By Internet.* You may submit a proxy electronically visiting www.voteproxy.com and following the on screen instructions (have your proxy card or Notice of Internet Availability of Proxy Materials available when you access the webpage).
- *By Mail.* You may submit a proxy by signing, dating and returning your proxy card in the provided pre-addressed envelope in accordance with the enclosed instructions. We encourage you to sign and return the proxy or voter instruction card even if you plan to attend the Annual Meeting so that your shares will be voted even if you are unable to attend.
- *By Phone.* You may call toll-free 1-800-PROXIES (1-800-776-9437) in the U.S. or 1-718-921-8500 from foreign countries from any touch-tone phone and follow the instructions (have your proxy card or Notice of Internet Availability of Proxy Materials available when you call).

If your shares are held in street name, you will receive instructions from the holder of record that you must follow in order for your shares to be voted. Internet voting will also be offered to stockholders owning shares through most banks and brokers.

Quorum

The presence at the Annual Meeting in person, virtually or by proxy of holders of a majority of our common stock outstanding and entitled to vote at the Annual Meeting will constitute a quorum. To the extent a broker is instructed to vote on at least one, but less than all of the items of business, the shares voted by such broker will be considered present at the Annual Meeting for that item of business and for purposes of determining a quorum.

Required Vote, Abstentions and Broker Non-Votes

Only stockholders of record at the close of business on April 28, 2021 have the right to vote at the Annual Meeting. The proposals at the Annual Meeting will require the following votes:

- Directors will be elected by a majority of shares present or represented at the meeting in person or by proxy. You may vote "FOR ALL NOMINEES," "WITHHOLD FOR ALL NOMINEES" or "FOR ALL EXCEPT" for the director nominees. Broker non-votes will have no effect on Proposal No. 1.
- Ratification of the selection of Friedman LLP as our independent registered public accounting firm will require the affirmative vote of a majority of the shares present in person, virtually or represented by proxy at the Annual Meeting and entitled to vote on this matter. You may vote "FOR," "AGAINST" or "ABSTAIN" on the proposal to ratify the selection of Friedman LLP as our independent registered public accounting firm. Abstentions will have the same effect as a vote against Proposal No. 2. We do not expect any broker non-votes in connection with respect to Proposal No. 2.
- Approval, on an advisory basis, of our executive compensation will require the affirmative vote of a majority of the shares present in person, virtually or represented by proxy at the Annual Meeting and entitled to vote on this matter. You may vote "FOR," "AGAINST" or "ABSTAIN" on the proposal to approve, on an advisory basis, our executive compensation. Abstentions will have the same effect as a vote against Proposal No. 3 and broker non-votes will have no effect on Proposal No. 3.

A “withheld vote,” in the case of the proposal regarding the election of directors, or an “abstention,” in the case of the proposal regarding the ratification of the selection of our independent registered public accounting firm, the proposal regarding the approval, on an advisory basis, of our executive compensation, represents a stockholder’s affirmative choice to decline to vote on a proposal.

Generally, “broker non-votes” occur when shares held by a broker in street name for a beneficial owner are not voted with respect to a particular proposal because the broker (1) has not received voting instructions from the beneficial owner and (2) lacks discretionary voting power to vote those shares. A broker is entitled to vote shares held for a beneficial owner on routine matters, such as the ratification of the appointment of our independent registered public accounting firm, without instructions from the beneficial owner of those shares. As a result, we do not expect any broker non-votes in connection with the ratification of our independent registered public accounting firm.

Default Voting

A proxy that is properly completed and returned will be voted at the Annual Meeting in accordance with the instructions on the proxy. If you properly complete and return a proxy, but do not indicate any contrary voting instructions, your shares will be voted in accordance with the board’s recommendations, which are as follows:

- FOR the election of the four persons named in this proxy statement as the board’s nominees for election as directors;
- FOR the ratification of the selection of Friedman LLP as our independent registered public accounting firm for the year ending December 31, 2021;
- FOR the approval, on an advisory basis, of our executive compensation;
- FOR approval of authority to transact such other business as may properly come before the Annual Meeting.

If any other business properly comes before the stockholders for a vote at the Annual Meeting, your shares will be voted at the discretion of the holders of the proxy. The board knows of no matters, other than those previously stated herein, to be presented for consideration at the Annual Meeting.

How to Revoke

Any person giving a proxy in the form accompanying this proxy statement has the power to revoke it at any time before its exercise. The proxy may be revoked by filing with the Secretary of the Company an instrument of revocation or a duly executed proxy bearing a later date, or by electing to vote by telephone or internet. The mere presence at the Annual Meeting of the person appointing a proxy does not, however, revoke the appointment. If your shares are held in “street name” through a bank, broker or other nominee, any changes need to be made through them. Your last vote will be the vote that is counted.

Expenses of Solicitation

We will bear all costs incurred in the solicitation of proxies, including the preparation, printing and mailing of the Notice of Annual Meeting of Stockholders, proxy statement and the related materials. In addition to solicitation by mail, our directors, officers and employees may solicit proxies personally or by telephone, e-mail, facsimile or other means, without additional compensation.

Stockholder List

A list of stockholders entitled to vote at the Annual Meeting will be available for inspection at our headquarters located at 19319 Arenth Avenue, City of Industry, CA 91748 beginning June 5, 2021, during normal business hours for examination by any stockholder registered on our stock ledger as of the record date for any purpose germane to the Annual Meeting.

Householding/Delivery of Documents to Stockholders

The SEC rules permit registrants to adopt a procedure called “householding.” Under this procedure, stockholders of record who have the same address and last name will receive only one set of proxy materials, unless one or more of these stockholders notifies the registrant that they wish to continue receiving individual sets. This procedure reduces printing costs and postage fees incurred by the registrant.

We have not adopted this householding procedure with respect to our record holders; however, a number of brokerage firms have instituted householding which may impact certain beneficial owners of our common stock. If your family has multiple accounts by which you hold common stock, you may have received a householding notification from your broker. Please contact your broker directly if you have any questions, require additional copies of the proxy materials, or wish to revoke your decision to household, and thereby receive multiple sets. Those options are available to you at any time.

Beginning on or around May 6, 2021, we will mail to our stockholders our Annual Report on Form 10-K for the year ended December 31, 2020, which includes our audited consolidated financial statements, together with these proxy materials.

PROPOSAL 1: ELECTION OF DIRECTORS

Pursuant to a resolution of our board of directors in accordance with our by-laws, and following the voluntary resignation of Zhou Min Ni from his position as co-Chief Executive Officer and director, effective February 23, 2021, our board of directors is presently comprised of four members who hold office until each director's successor is elected and qualified, or until such director's earlier resignation or removal. Each nominee for director has been nominated for a one-year term to serve until the 2022 Annual Meeting of Stockholders and until their successors are elected and have qualified.

Our independent directors have recommended Russell T. Libby, Xiao Mou Zhang, Xi Lin and Dr. Hong Wang, as nominees to our board of directors. If elected at the Annual Meeting, each of the nominees would serve until the 2022 Annual Meeting of Stockholders and until his or her successor is duly elected and qualified, or until such director's earlier death, resignation or removal.

The nominees have consented to being nominated and have expressed their intention to serve if elected. We have no reason to believe that the nominees will be unable to serve if elected to office and, to our knowledge, the nominees intend to serve the entire term for which election is sought. In the event any of the nominees should become unable to serve, or for good cause will not serve, as a director, it is intended that votes will be cast for a substitute nominee designated by the board of directors or the board of directors may elect to reduce its size. Only the nominees or substitute nominees designated by the board of directors will be eligible to stand for election as directors at the Annual Meeting.

Nominees for Board of Directors

We believe that our board of directors should be composed of individuals with sophistication and experience in many substantive areas that impact our business. We believe that experience, qualifications, or skills in the following areas are most important: procurement and distribution of food and related products, particularly those used by Chinese restaurants; delivery and logistics; customer service; restaurant industry management; technology and automation; accounting and finance; strategic planning; human resources and development practices; and board practices of other corporations. We believe that our current board members possess the professional and personal qualifications necessary for board service, and have highlighted particularly noteworthy attributes for each board member below. The principal occupation, business experience for at least the past five years, and the age as of April 29, 2021, of each director nominee is included below.

HF Group's directors and nominees are as follows:

By establishing a call center in China, B&R Global has also been able to grow its customer base and, at the same time, keep its operating costs low. We believe Mr. Zhang’s qualifications to sit on our board of directors include his extensive knowledge of the food distribution industry, particularly serving Chinese/Asian restaurants, and his over 20 years of management and leadership experience at B&R Global.

Dr. Wang has over 30 years of university teaching experience and has taught Management Sciences, Operations Research, Optimization, Business Environment, Management Concepts, Strategic Management, and Engineering Economy, in addition to various Information Systems courses at both graduate and undergraduate levels. Dr. Wang is active in professional and community services. He has served in multiple cities in the US for several terms as president of local Chinese Associations, on various boards, as a principal of Chinese schools, as session chair of academic conferences, and as a journal referee. He also helped several Chinese universities to establish international programs in collaboration with US universities. Dr. Wang received his Ph.D. in Management Information Systems/Decision Sciences from Ohio State University. We believe Dr. Wang’s qualifications to sit on our board of directors include his knowledge of management, operations, optimization, business environment, and economic engineering, and his prior effective service as a member of our board.

Required Vote

Approval of this proposal requires the affirmative vote of a majority of the shares of common stock present in person, virtually or by proxy and entitled to vote on this proposal at the Annual Meeting. This means that the nominees who receive more "For" votes than votes that are withheld for that nominee will be elected. Broker non-votes will have no effect on the outcome of the vote on the proposal.

The board of directors recommends a vote FOR each of the director nominees.

CORPORATE GOVERNANCE

Director Independence

As required under the Nasdaq Capital Market listing rules ("Listing Rules"), a majority of the members of a listed company's board of directors must qualify as "independent," as affirmatively determined by the board of directors. Our board considered certain relationships between our directors and us when determining each director's status as an "independent director" under Rule 5605(a)(2) of the Listing Rules. Based upon such definition and SEC regulations, we have determined that Russell T. Libby, Xi Lin and Dr. Hong Wang are "independent" under the Listing Rules.

Board Leadership Structure and Role in Risk Oversight

Our corporate governance guidelines provide that the board of directors is responsible for reviewing the process for assessing the major risks facing us and the options for their mitigation. This responsibility is largely satisfied by our audit committee, which is responsible for reviewing and discussing with management and our independent registered public accounting firm our major risk exposures and the policies management has implemented to monitor such exposures, including our financial risk exposures and risk management policies.

Committees of the Board of Directors

Audit Committee

Our audit committee is comprised of Xi Lin (Chair), Russell T. Libby and Dr. Hong Wang, all of whom meet the independence standards for purposes of serving on an audit committee under the Listing Rules and the Exchange Act. Considerations in Evaluating Director Nominees

In selecting nominees for director, without regard to the source of the recommendation, our independent directors use a variety of methods for identifying and evaluating director nominees. In its evaluation of director candidates, our independent directors may consider, among other things, the current size and composition of our board of directors, the needs of our board of directors, and the respective committees of our board of directors. Some of the qualifications that our independent directors may consider include, without limitation, issues of character, integrity, judgment, diversity of experience, independence, area of expertise, corporate experience, length of service, leadership skills, potential conflicts of interest, and other commitments. Director candidates must have sufficient time available in the judgment of our independent directors to perform all board of director and committee responsibilities. In addition, our independent directors consider all applicable statutory and regulatory requirements and the requirements of any exchange upon which our common stock is listed or to which it may apply in the foreseeable future.

Although our board of directors does not maintain a specific policy with respect to board diversity, we believe that our board of directors should be a diverse body, and our independent directors consider a broad range of backgrounds and experiences in reviewing candidates for nomination to the board of directors. In making determinations regarding nominations of directors, our independent directors may take into account the benefits of diverse viewpoints. Our independent directors also consider these and other factors as it oversees the annual board of director and committee evaluations. After completing its review and evaluation of director candidates, our independent directors recommend to our full board of directors the director nominees for selection.

Stockholder Recommendations for Nominations to the Board of Directors

We will consider director candidates recommended by stockholders so long as such recommendations comply with our certificate of incorporation, our bylaws, and applicable laws, rules and regulations, including those promulgated by the SEC. Eligible stockholders wishing to recommend a candidate for nomination should contact our Secretary in writing. Such recommendations must include information about the candidate, evidence of the recommending stockholder's ownership of our common stock, and written consent from the candidate confirming willingness to serve on our board of directors, if elected. Our independent directors have discretion to decide which individuals to recommend for nomination as directors.

The loan bore interest of 5% per annum. Interest was computed on the outstanding balance on the basis of the actual number of days elapsed in a year of 360 days. The principal plus interest was to be paid off no later than April 30, 2023.

On March 1, 2019, the Company and each of Enson Seafood and NSG agreed to extend the expiration date of their notes payable until February 29, 2024, and Mr. Zhou Min Ni agreed to personally guarantee these notes.

On September 30, 2019, the Company and Mr. Ni entered into a Loan Purchase and Sale Agreement (the "Loan Sale Agreement"). Pursuant to the Loan Sale Agreement, all notes receivable stated above, having then a combined outstanding balance of \$8,415,525 ("Total Notes Receivable"), were sold to Mr. Zhou Min Ni in exchange for 632,746 shares of common stock of the Company, which shares were received and recorded in treasury stock by the Company as of September 30, 2019. In connection with the sale of the above notes, the Company also required 208,806 additional shares of common stock of the Company owned by Mr. Ni to be placed in an escrow account for a period of one year until September 30, 2020 (the "Escrow Period"), which would be delivered to the Company in part or in full, if the volume weighted average price ("VWAP") of the Company's common stock for the 250-trading-day period immediately preceding the expiration of the Escrow Period is less than \$13.30.

On October 9, 2020, in accordance with the terms of the Loan Sale Agreement, the Company and Mr. Ni determined and agreed that the applicable 250-day VWAP was \$10.59, and therefore 161,966 of the Escrow Shares were transferred to and recorded as treasury stock by the Company and the remaining 46,840 Escrow Shares were returned to Mr. Ni. Consequently, the Total Notes Receivable guaranteed by Mr. Ni is considered fully settled. The Company has retired all treasury stock as of December 31, 2020.

Compensation Discussion and Analysis

Compensation for our executives is comprised solely of the items set forth in the above table. We do not use a prescribed formula to establish pay levels. Rather, the board of directors and compensation committee considers changes in the business, external market factors and our financial position each year when determining pay levels for the named executive officers.

The committee generally seeks to set a named executive officer's targeted total cash compensation opportunity within a range that is the average of the applicable peer company and/or general industry compensation survey data, adjusted as appropriate for individual performance and internal pay equity and labor market conditions.

Each executive's base salary is supplemented by various benefit plans that provide health, life, accident, disability and severance benefits, most of which are the same as the benefits provided to all of our employees.

Employment Agreements

On August 22, 2018, we entered into an employment agreement with Zhou Min Ni to serve as our Chief Executive Officer until August 31, 2023. Upon Mr. Ni's voluntary resignation, a Separation Agreement between Mr. Ni and the Company, dated as of February 23, 2021, superseded the 2018 employment agreement and released all rights and claims under the 2018 employment agreement. See Exhibit 10.28 of our Annual Report on Form-10-K for the year ended December 31, 2020.

Termination Arrangements

Our prior employment agreement with Zhou Min Ni provided for certain rights and obligations if we terminated such executive's employment. Upon Mr. Ni's voluntary resignation, a Separation Agreement between Mr. Ni and the Company, dated as of February 23, 2021, superseded the 2018 employment agreement and released all rights and claims under the 2018 employment agreement. See Exhibit 10.28 of our Annual Report on Form-10-K for the year ended December 31, 2020.

Change in Control Provisions

Our 2018 Omnibus Equity Incentive Plan (the “Plan”) provides for the acceleration of the vesting of unvested equity awards upon a “Change in Control” of the Company. A Change in Control is defined in the Plans to include (i) a sale or transfer of substantially all of the Company’s assets; (ii) the dissolution or liquidation of the Company; (iii) a merger or consolidation to which the Company is a party and after which the prior shareholders of the Company hold less than 50% of the combined voting power of the surviving corporation’s outstanding securities; or (iv) the incumbent directors cease to constitute at least a majority of the Board of Directors. In the event of a “Change In Control,” the Plan provides for the immediate vesting of all equity awards issued thereunder.

Our prior employment agreement with Zhou Min Ni contained change in control provisions. Upon Mr. Ni’s voluntary resignation, a Separation Agreement between Mr. Ni and the Company, dated as of February 23, 2021, superseded the 2018 employment agreement and released all rights and claims under the 2018 employment agreement. See Exhibit 10.28 of our Annual Report on Form-10-K for the year ended December 31, 2020.

Outstanding Equity Awards at December 31, 2018

In addition, we also paid a one-time fee of \$15,000 to our Special Investigation Committee (“SIC”) Chair and \$10,000 to the SIC members in 2020. EQUITY COMPENSATION PLAN INFORMATION

The following table provides certain information with respect to all of our equity compensation plans in effect as of December 31, 2020.

Total	—	\$ —	3,000,000

On August 10, 2018, our stockholders adopted the HF Food Group Inc. 2018 Omnibus Equity Incentive Plan (the “Plan”). The Plan reserves 3,000,000 shares of common stock for issuance of awards to employees, non-employee directors, and consultants and is administered by the Compensation Committee of the Board. The Plan provides for the grant of incentive stock options, nonstatutory stock options, restricted stock awards, restricted stock unit awards, stock appreciation rights, other stock awards, and performance awards that may be settled in stock, or other property. The term of stock options granted may not exceed ten years and exercise prices may not be less than 100% of the fair market value of the common stock subject to the stock option on the date of grant. If an equity award granted under the Plan, or any portion thereof, expires, is forfeited or otherwise terminates without all of the shares covered by the equity award having been issued, such expiration, termination or settlement will not reduce or otherwise offset the number of shares available for issuance under the Plan. In the event of a change in control, an equity award under the Plan may be subject to additional acceleration of vesting and exercisability. Unless terminated sooner by our board of directors, the Plan will automatically terminate on August 9, 2028. As of December 31, 2020, there were no equity awards granted under the Plan and all 3,000,000 shares were available for future grants. In 2021, the Board of Directors have approved a plan to issue approximately \$2.3m worth of Restricted Stock Units (RSU). The final number of RSU to be issued shall be determined based on the latest closing price of the Company’s stock as quoted on Nasdaq prior to the actual date of issuance, estimated to be completed before the end of second quarter. The Compensation Committee of the Board of Directors will approve forms of RSU award agreements that will set forth the terms of RSU awards that may be granted to the Company’s executive officers and directors, as well as performance awards that may be granted to certain senior executives and managers.

PROPOSAL 2: RATIFICATION OF THE SELECTION OF FRIEDMAN LLP AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2021.

The audit committee has appointed Friedman LLP (“Friedman”) to audit and report on the consolidated financial statements of the Company and its subsidiaries for the fiscal year ending December 31, 2021. Friedman served as our independent registered public accounting firm for the fiscal year ended December 31, 2020.

The board of directors is submitting the selection of Friedman for ratification at the Annual Meeting. The submission of this matter for ratification by stockholders is not legally required, but our board of directors and the audit committee believe the submission provides an opportunity for stockholders through their vote to communicate with the board and the audit committee about an important aspect of corporate governance. If the stockholders do not ratify the selection of Friedman, the audit committee will reconsider, but will not be required to rescind, the selection of that firm as our independent registered public accounting firm. Representatives of Friedman will attend the Annual Meeting and may make a statement if they wish. They will be available to answer appropriate questions at the Annual Meeting.

The audit committee has the authority and responsibility to retain, evaluate and replace our independent registered public accounting firm. The stockholders’ ratification of the appointment of Friedman does not limit the authority of the audit committee to change our independent registered public accounting firm, as it deems necessary or appropriate, at any time.

Audit and Related Fees

The following table presents fees for professional audit services performed by Friedman for the audit of our annual financial statements for the years ended December 31, 2020 and 2019. We did not pay any fees to Friedman for audit-related services or tax services in the years ended December 31, 2020 and 2019.

Fee Category	2020	2019
Audit Fees	\$ 1,086,080	\$ 804,500
Audit-Related Fees	—	—
Tax Fees	—	—
All Other Fees	—	—
Total Fees	<u>\$ 1,086,080</u>	<u>\$ 804,500</u>

Audit Fees consist of fees billed for professional services rendered for the audit of our financial statements and review of the interim financial statements included in quarterly reports and services that are normally provided by our auditors in connection with statutory and regulatory filings or engagements. Audit fees also include fees for services provided in connection with review of documents filed with the SEC.

As previously reported in the Company’s Current Report on Form 8-K dated January 2, 2018, the Company engaged Friedman as its independent registered public accounting firm on January 2, 2018. The Company’s previous independent registered public accounting firm Marcum LLP (“Marcum”) was dismissed on the same date. The decision to engage Friedman and to dismiss Marcum was approved by the Audit Committee. During the year ended December 31, 2016 and the subsequent period through January 2, 2018, neither the Company nor anyone on its behalf consulted Friedman regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company’s consolidated financial statements, and neither a written report nor oral advice was provided to the Company that Friedman concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K) or a reportable event.

Audit Committee Pre-Approval Procedures

The audit committee of our board of directors consists of Xi Lin (Chairman), Dr. Hong Wang and Russell Libby. The audit committee approves the engagement of our independent auditors to render audit and non-audit services before they are engaged. All of the fees for 2020 and 2019 shown above were pre-approved by the audit committee.

The audit committee pre-approves all audit and other permitted non-audit services provided by our independent auditors. Pre-approval is generally provided for up to one year, is detailed as to the particular category of services and is subject to a monetary limit. Our independent auditors and senior management periodically report to the audit committee the extent of

services provided by the independent auditors in accordance with the pre-approval, and the fees for the services performed to date. The audit committee may also pre-approve particular services on a case-by-case basis.

Our audit committee will not approve engagements of our independent registered public accounting firm to perform non-audit services for us if doing so will cause our independent registered public accounting firm to cease to be independent within the meaning of applicable SEC rules. In addition, our audit committee considers, among other things, whether our independent registered public accounting firm is able to provide the required services in a more or less effective and efficient manner than other available service providers.

Required Vote

Approval of Proposal 2 requires the affirmative vote of a majority of the shares of common stock present in person, virtually or by proxy and entitled to vote on this proposal at the Annual Meeting. As a result, abstentions will have the same effect as votes against this proposal. We do not expect any broker non-votes in connection with this proposal.

PROPOSAL 3: ADVISORY VOTE ON EXECUTIVE COMPENSATION

General

In accordance with Section 14A of the Exchange Act and Rule 14a-21(a) promulgated thereunder, our stockholders are entitled to vote at the Annual Meeting to approve the compensation of our named executive officers, commonly known as a “Say-on-Pay”, as disclosed in this proxy statement in accordance with the standards established under Item 402 of Regulation S-K under the Exchange Act. However, the stockholder vote on executive compensation is an advisory vote only, and it is not binding on us, our board of directors, or any of our board committees.

Although the vote is non-binding, our board of directors and the compensation committee value the opinions of our stockholders and will consider the outcome of the vote when making future compensation decisions affecting our executive officers.

We design our executive compensation program to implement our core objectives of attracting and retaining superior executive talent, motivating and rewarding executives whose knowledge, skills and performance are critical to our business, ensuring executive compensation is aligned with our corporate strategies and business objectives, and aligning executives’ incentives with the creation of stockholder value.

Resolution

Our stockholders are being asked to approve by advisory vote the following resolution relating to the compensation of our named executive officers as described in this proxy statement:

“RESOLVED that the Company’s stockholders hereby approve the compensation paid to the Company’s executive officers named in the Summary Compensation Table of this proxy statement, as that compensation is disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the various compensation tables and the accompanying narrative discussion included in this proxy statement.”

The vote on this resolution is not intended to address any specific element of compensation; rather the vote relates to the compensation of our named executive officers, as described in this proxy statement in accordance with the compensation disclosure rules of the SEC.

Required Vote

Approval of Proposal 3 requires the affirmative vote of a majority of the shares of common stock present in person, virtually or by proxy and entitled to vote on this proposal at the Annual Meeting. As a result, abstentions will have the same effect as votes against this proposal and broker non-votes will have no effect on this proposal.

The board of directors recommends an advisory vote FOR the resolution to approve the executive compensation as disclosed in this proxy statement.
